

Fly Me Away

I sit before you on the ground,
Trying to hear the sound,
That's coming up, inside of me.
I don't want to stay here no more.

When I look into your eyes,
The light burns away the lies.
They drop away, from inside of me,
If only you could depend on me.

Fly, fly me away,
Fly, fly me away,
When we're this close together,
I want it to last forever,
And so I turn to you and pray,
Fly me away.

And in the times when we're apart,
And the pain's about to start,
I feel your love, inside of me.
And try to remember all that I was born to be.
If only you could

Fly, fly me away,
Fly, fly me away,
When we're this close together,
I want it to last forever,
And so I turn to you and pray,
Fly me away.

Fly me away,
Fly, fly me away,
When we're this close together,
I want it to last forever,
And so I turn to you and pray,
Fly me away,
Fly me away.
