

The Island Sun

I have sailed the golden ocean
 And crossed the silver bar;
I have reached the Sun of knowledge,
 The earth-self's midnight star.

Its fields of flaming vision,
 Its mountains of bare might,
Its peaks of fiery rapture,
 Its air of absolute light,

Its seas of self-oblivion,
 Its vales of Titan rest,
Became my soul's dominion,
 Its Island of the Blest.

Alone with God and silence,
 Timeless it lived in Time;
Life was His fugue of music,
 Thought was Truth's ardent rhyme.

The Light was still around me
 When I came back to earth
Bringing the Immortal's knowledge
 Into man's cave of birth.

I have sailed the golden ocean
 And crossed the silver bar.

Lyrics by Sri Aurobindo

Composed by Maestro Daryl Wallis
